

VENDOR 11: ANN ARBOR TORTILLA

The Ann Arbor Tortilla Factory offers fresh stone-ground corn products made in their Ann Arbor facility. All of their products are preservative-free, gluten-free, and the corn is Non-GMO. No trans-fats, colorings, softeners or additives are used. They use a very traditional method to produce their products and the end products are delicious! No salt items can be made by request. Chips have a two month shelf-life. 2 lb bags are 6 to a case; 8 oz bags are 12 to a case. Tortillas have a recommended shelf-life of 2 weeks and should be refrigerated and are packaged 16 to a case.
