**UNFI Ordering Questions?** Please contact Sue Kataja. Also, directions are on our website.

**Door to Door Produce** is going well! The produce is very fresh and packaged well. If you have not tried Door to Door, please do! Don't forget that you will be charged 3% for ordering through the co-op, just like every other item ordered. This will be added to your monthly statement.

**Specialty Foods has a new chicken breast producer** named American Poultry. These chickens do not receive antibiotics or growth hormones of any kind. Chicken breasts are sold in 2 pound packages and look great! Look on our website for more information on this vendor.

**New Member-** Please welcome our newest member **Karline Rousseau** from Howell. We were pleased to meet Karline at our last distribution, June 10th.

**Membership- We always need new members to help keep our costs low.** Consider inviting your friends, neighbors and family to join the co-op! They can try shopping by 'guest ordering' and working at a distribution to see what it's like. If they like it, they can join in the savings and become a member. If you would like to have potential members talk with someone in our co-op, contact Diane Brady.

When **checking out orders-** make sure to circle incorrect prices and put correct prices next to them. Check order paperwork for labels that may say DNC. (DNC means the item did not come ) Thanks for all your hard work at the distributions!
