June 2015

## Additional Info for June

Hi Members!

Things are looking up as far as nailing down an approximate arrival time for the UNFI truck. Yesterday, members arrived to set up at 9:30, the truck arrived at 10:15 and once again, Sherry Smith arrived with Zingerman's, Rosewood and Ann Arbor Tortilla at the same time, which works out really well! Distribution went quickly and members were done and gone by 12:30. **Distribution took just a total of three hours, a far cry from the days of 7:30 arrivals and 3:00 departures!**

**Meanwhile, here's all the co-op news you need to know:**

**Email addresses:** If you have more than one email address for your household and you want to be able to receive co-op email at both or all of them, please send the addresses and I will make sure to add them to our email list. Send to [mmitchell1945@aol.com](mailto:mmitchell1945@aol.com)

**Extras table:** We had lots more to choose from on extras this month, including some delicious pork loins from Creswick! I bought one and since I hadn't planned anything for dinner, I decided to make a pork stir-fry. OMG it was so good, tender and juicy! I will definitely be ordering pork loin in the future! In fact, I ordered a couple for July. By the way, here's the recipe I used for the stir-fry:

It's not too late! Members can order Creswick items for July delivery until June 27! And remember, if you aren't available to take delivery on July 6 when Creswick delivers to Brighton, your order will be held for you in the freezer and you can pick it up at distribution. In addition, each month we'll have some items from Creswick available for purchase from the extras table.

**Keep reading ... just one more page! 😊**

**Motave Meadows:** It's summer and that means Motave Meadows produce will be available! Yum! Christie will let you know what will be harvested in time for the July 22 distribution.

**Syrup:** Remember that syrup is sold by the gallon. If you can't use a whole gallon, you can arrange to split with another member(s). Just be sure that you bring quart jars since we do not have a supply on hand.

**Zingerman's bread:** Be sure to let Christie know if you want your Zingerman's bread sliced. Some breads, like cranberry-pecan can't be sliced because they gum up the slicer.

**Next distribution: July 22**
