

It's Just Food!

Brighton Food Co-op Newsletter

Place your November order as soon as you can. The deadline is October 22, 2008 to have orders to batchers. After that, you can still order full cases of food and help fill cases with other members until Sunday, October 26th.

Thanks to Denise Hauk for the time she spent working with Dolores Johnson on the October distribution paperwork process. They had fun, and now Dolores has a backup person in training in case she cannot be at distribution for any reason.

If you decide to order only Door to Door produce for the month, you are not required to work at the distribution and will just incur the 3% markup fee.

Our last distribution went well. Thanks for all the hard work you did. A few items were found in the wrong members' piles. To help avoid this problem in the future, we are recommending that each case be opened and distributed by one worker at a time. If you are the worker, take the carton off the cart, organize who the product goes to, and then distribute by yourself. Hopefully this will help. If you have additional or alternative ideas for solving this problem, please let a board member know, or just bring them up at the circle meeting. Also, if you sign up to work the PM Crew shift, you will need to stay until the PM Coordinator, Denise Hauk, dismisses you. There is always lots of cleanup to do before we can lock up and leave.

October 7 distribution had 19 members order. Sept had 19 orders also.

Cost of Products Sold	\$8,629.33
Extras Table Sold	\$ 866.69
Extras Left	\$ 257.04
Co-op Income 3%	\$ 253.21

If you are a home worker or a board member, please consider whether you would like to serve again in the same position for 2009.

Our next distribution is election day. We do not anticipate any parking problems due to voters voting at the church. Just be aware that the truck does need access to the lower door.

My Favorite Things by Nancy Clark

Nancy's favorite website for recipes is www.Epicurious.com

This site has lots of Bon Appetit recipes and you can just type in what you have, like pears or avacados and it will pull up a nice list of recipes for your review. Also try other searches as it appears to accomodate. Thanks for the great link Nancy- I have used it already.

Please contact me at dbramblewood@sbcglobal.net with your favorite things for inclusion in the November Newsletter.

Thanks!
