Orders are due: **September 17th**

- **Filled cases due: September 22nd**
- Distribution will be on **October 1st**
- Board meeting on October 8th@ Marilyn Mitchell's house @ 11:00 AM-please RSVP to be alerted to any changes.

- A big welcome to our new member Christine Dorr!

- Reminder: We have two distributions for this month, one on October 1st and one October 29th. The candy/honey/syrup ordering schedule will be as follows:

October 1st: Albanese, Honey, Beeswax

October 29th: Sjaak's, Syrup

- Please pre-order extras. We have a lot of inventory and need to reduce in order to get new things on the extras table. Nancy will be very conservative this month in letting unfilled split cases go through due to this. We all love to see the new products so let's make this a priority.
- We have the distribution dates, among other important dates on the website now for a year in advance. The calendar format was nice looking but a bugger to deal with. The new format makes future planning a bit easier.
- There will be NO DECEMBER DISTRIBUTION! This decision was made due to the fact that the date falls on a holiday (Christmas Eve) and would have to be shuffled around. The logistics were just going to be very difficult. So please plan accordingly. You have three distributions between now and then to stock up until the January distribution.
- As periodically happens, our UNFI discount will be changing from 17% to 15% in November, so this is another reason to stock up in October.
- Though we have a general date for orders to be due on Tuesday, please feel free to shop UNFI and Frontier until the following Sunday by 6:00PM.
- Carrie Oakwood is the new Frontier Coordinator. Thank you Carrie for taking on this new job, in addition to your others! Who rocks? YOU DO!!
