

BFC News Blast September 2013

- Orders are due August 20th, 2013
- Distribution will be on September 3rd, 2013
- Board meeting on September 10th@ Megan Putnam's house @ 11:00 AM-please RSVP to be alerted to any changes.

Hello Co-ops! The summer has flown by and school will be starting soon.

- We have decided not to pursue ordering with Wilderness Family Naturals. Unfortunately, due to the popularity of coconut products and a shortage of coconut production due to inclement weather, WFN is frequently out-of-stock on too many items to be consistent.
- If you have not ordered beeswax but would like to, you should do it this month in your September O/V order to Christie. If you ordered beeswax and would like to stick with the quantity that you have, then do nothing. Christie has already tallied that in. If you would like to add more, then do so in the September O/V order but only order the additional quantity that you want. Do not add what you already ordered to the additional amount you want. For example, if you ordered 8 lbs. last month and would like an additional 4 lbs. then only order that 4 lbs in your O/V order for September. Beeswax will arrive in October and is \$4.50 per lb.
- Almar Orchard products are available this month! Apples, cider and donuts...YUM! Order through Christie Winch.
- As we look ahead to October, be aware that we have two distributions for the month, one on October 1st and one October 29th. The candy/honey/syrup ordering schedule will be as follows:

October 1st: Albanese, Honey, Beeswax
October 29th: Sjaak's, Syrup
- Though we have a general date for orders to be due on Tuesday, please feel free to shop UNFI and Frontier until the following Sunday by 6:00PM.
